Thus, More essential on the questions of Nigeria, however, is that, who is piloting the country into anarchy? What about the issues of continuation in pursuing fixed together federations as democratic country established under a threat of violence? The ratio of poverty, self-aggrandizement pump politics, negligence, not caring for posterity legacies had on the modern day's trap Nigeria into the act of design terrorism and tension. What matters now is, at what lucky design could the 21st century pay back to Nigerian leaders in their lacking of vision for posterity?
