Xlibris, Corp. Paperback. Book Condition: New. Paperback. 134 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Growing up in middle class Toledo, Ohio in the 1980s career choices were somewhat limited to working in factories or in the medical field. I came from a very stable home as the oldest of six kids with two hard working parents that provided for us but didn't spoil us. Our parents gave us a private education on grades 1 - 12 and my Father helped get me a summer job to pay for college at the local General Motors plant where he worked. In college I had two majors, one in Political Science and one in Communications. As part of my Communications major I got an internship at the local rock n roll radio station and ended up pursuing a career in that field with that radio station. This story is about what happened from there. It's about dealing with the unpredictable changes that happen with your company and your career and what happens when they overlap. Sometimes the results aren't the best. . . . but none the less, you still learn and sometimes the experiences are even fun! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
