Sideways Arithmetic from Wayside School

By Louis Sachar

Scholastic US. Paperback. Book Condition: new. BRAND NEW, Sideways Arithmetic from Wayside School, Louis Sachar, From the Newbery-award winning author of Holes "Everyone take out your spelling books," said Mrs. Jewls. "It's time for arithmetic." Sue is so excited for her first day at Wayside School. But things at Wayside are far from normal-and Sue's teacher, Mrs. Jewls, is completely wacky. She expects the students to add and subtract words! Sue has never heard of anything so ridiculous. She knows adding apples plus oranges is impossible.or is it? Anything can happen at Wayside School.

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
