It is an awesome book that we have possibly go through. It is actually written in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

LADY HARRIET S UNUSUAL REWARD

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Lady Harriet Weatherby is at the end of her tether. Her brother, the Earl of Oldbeck is running amok. That would not normally be her problem, but the ton consider the earl to be an imbecile. Since her father died, he has had no one to guide him and he will no longer listen to Harriet. And now that Mary the kitchen maid is carrying his child, Harriet sees no other option but to marry. And there is only one man for the job. Two years ago Lord Stephen Charville, a widower and second son of a duke, promised Lady Harriet that he would do her any favour she asked him as thanks for saving his daughters life when she nearly drowned. He did not expect her to turn up at his townhouse and ask him to marry her and set an example to her brother. There is nothing wrong with Lady Harriet and he's not averse to helping out her brother, he just has no inclinations to marry again. And for the record, he's no tragic hero, pining away for his lost love. The problem is that Harriet begins to burrow her way into his affections. When Lord Stephen offers without marriage to help the earl to learn the ways of the world, Harriet is still determined that the only way to do the job properly is for them to marry but she agrees to do it Lord Stephen's way. No one is more surprised than Harriet when she begins to have feelings for the dissolute second son or when he begins to ignite passions in her she'd never dreamed...
