Let s Count to 100!

By Masayuki Sebe

Kids Can Press, Canada, 2014. Paperback. Book Condition: New. Masayuki Sebe (illustrator). Reprint. 244 x 198 mm. Language: English . Brand New Book. Let s Count to 100! comprises 11 bright panoramas, each featuring a delightful assortment of 100 different objects. Readers are invited to count the items and are also challenged to find specific details, such as a mouse with a red bow or a lone rabbit amid a giant flock of sheep. This book is packed with appealing images of children, fish, cats, moles and other cute critters --- no two of which are alike --- and readers will enjoy the many different moods and expressions on display. Each spread is also full of hidden dramas youngsters will love discovering for themselves, such as a hungry piranha poised to take a nibble of an elephant s pink trunk. Kids will also like spotting how each scene, such as a meandering stream or a bustling cityscape, visually connects to the one that came before and the one that follows.

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
