This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

COLLEGE ADMISSIONS BREAKTHROUGH

Bookcrafters, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. A small book that fills a big purpose and an even bigger dose of help for students and parents. Fariborz offers great advice on everything from essays to high school academics without losing sight of the need to balance this anxious time by performing both sides of her mantra: Work Hard. and. Enjoy Life. - Mark H. Sklarow, Executive Director, Independent Educational Consultants Association Having just read College Admissions Breakthrough I strongly recommend that all high school counselors who work with college-bound students make it required reading. This book provides a clear outline of what a student needs to do from start to finish. What is especially appealing is the fact that it is easy reading. Fariborz knows her audience and appreciates the stress that this process puts on a student. The answers to every question an applicant might have can be found in this book and I recommend it highly. - Barbara Jacobson, Former Assistant Head of the Harvard-Westlake Middle School.
