Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Tomatoes are one of the most popular crops for the home grower and this book is an in-depth guide teaching you everything you need to know about growing this delicious fruit at home. When you grow your own tomatoes you will suddenly realize there are hundreds of different varieties, far more than you see in the shops, and many different colours, including black, white and even multi-colored! Imagine making a home-made salad with a rainbow of different colored tomatoes in it? Just how good would that taste? Home grown tomatoes taste so much better than those you buy in the shops. Being able to pick them fresh from the vine means they are so much tastier. You will be really surprised how delicious they taste. Growing your own tomatoes is not hard, these plants grow like crazy, but with the right techniques and nurturing you can have an abundant crop of tomatoes that you can use fresh throughout the season. There really is nothing quite like being able to pick fresh produce from your garden to serve at the table; the taste is divine. In this book you will learn how to: Select the best seeds and seedlings Nurture your plants so they produce an abundant crop Prevent pests and diseases Avoid the common mistakes people make with tomato plants Store and preserve your tomatoes for later in the season Cook delicious meals from your home-grown tomatoes And much, much more. This in-depth guide will teach you everything you need to know about tomatoes and successfully growing them at home. These are one of the best and most enjoyable crops to grow that can be...
