eKensington Originals. Paperback. Book Condition: New. Paperback. 374 pages. Dimensions: 7.9in. x 4.9in. x 1.0in. My name is Tess Little. But everyone calls me Red. Once upon a time, a spell went awry, stranding Make Believe characters in the ordinary world. Since then, Tess Red Little--aka Little Red Riding Hood--has worked as an Enforcer for the Chicago branch of the Fairytale Management Authority. But, consider yourself warned--shes not just some waif with a basket of goodies. All grown up and with nothing to lose, a gun and combat boots is more her style. And Reds new assignment threatens to be short on happily ever afters. . . Someone is murdering transplanted Tales in gruesome fashion. The list of fictional characters capable of such grisly acts is short and includes more than one of Reds old flames. And if that wasnt bad enough, theres another complication, in the form of sexy, enigmatic Nate Grimm, the FMAs lead detective and part-time Reaper. Used to following her own rules and living life on the edge, Red has managed to avoid taking on a partner until now. But Nates dark side makes him perfect for a case like this. That is, if she can trust him. Because if theres one thing Red knows for sure, its that believing in the wrong person can have big, bad consequences. . . Its not often that something totally new and entertaining comes along, but Kate SeRine doesnt disappoint with Red. I definitely recommend this to readers who want humor, drama, suspense, and a truly entertaining, feel good romance. --Kate DouglasUnique and totally off-the-wall, fun, romantic, suspenseful, oh-my-GAWD enjoyable! --Kate DouglasIf you love fantasy, romance and old fashion gumshoe detective stories you are in for a great read! --The Best Fantasy StoriesRed ROCKED! The writing was smart and clever,...
