Practical Data Migration (Second Edition)

By Johnny Morris

BCS, The Chartered Institute for IT/Viva Books Private Limited, 2013. Softcover. Book Condition: New. 2nd edition. Nearly 40% of data migration projects are over time, over budget or fail entirely. Studies have shown that using a proven methodology greatly increases the chances of on time, on budget and zero defect migrations. Enhance your career prospects by reading this book and making a success of your migration projects. The author uses a series of steps developed in real-life situations that will deliver a populated, clean, working system backed by the user population. The first edition of this book provided the first non-proprietary methodology for data migration and quickly became the primary text on the subject. This new edition is updated to take account of changes in technology and the maturing of the market for data migration services. ? New updated edition of bestselling text ? Get the dirty old data out of your legacy systems and transform it into clean new data ? Enriched with anecdotes, hints, golden rules and definitions CONTENTS: INTRODUCTION ? What is the purpose of this book? ? What types of data migration are covered? ? What is not covered in this book? ? Who is this...
