THE 13TH DOORWAY

Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Sitting in their English classroom, three friends notice that their teacher's hand goes right through his interactive whiteboard and comes back dripping wet. Mark, Megan and Andrew are desperate to find out what lies behind this doorway - in Andrew's case, far too desperate! They soon realise that they are not the first to go through to the other side and are shocked to find out what has happened to the last person who tried. The inhabitants of this other world will seemingly stop at nothing to protect their home. You have all read books which take you to other worlds but this is a splendidly original take on an old theme. The creatures who inhabit this place and the job they have to do are brand new to literature. The Prostatum can take the friends back to the very point of all creation, as well as taking Mark, Megan and Andrew to twelve new worlds. Fans of Drama, Suspense, Puzzles, Intrigue, Danger, Horror and Sci-fi will not be disappointed with this book - there is even a little Romance! So come on, join Mark, Megan and Andrew as they journey through. The 13th Doorway.
