Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Character Through Recreation This book is issued by the American Sunday-School Union under the John C. Green Income Fund. It won the first prize offered for the best manuscript on the subject of Amusements: How Can They Be Made to Promote the Highest Well-Being of Society? The provisions of the fund authorize the Union to choose the subject, - which must always be germane to the object of the Society, - and by owning the copyright, to reduce the price of the book. In this way, works of a high order of merit may be put into circulation at a reasonable price. The author is given large liberty in the literary form, style and treatment of the subject. This book treats a theme of universal interest to church and Sunday-school workers, parents and teachers. It will be specially valued by those who, in constantly increasing numbers, are devoting themselves to developing the play life of the nation. The author brings to his task a wide acquaintance with what is being written on the subject in current book and periodical literature, together with extensive personal observation of the effect of amusements, especially upon the life of young people. While clearly pointing out the dangers and evils connected with modern amusements, his book is not destructive but constructive. Its aim, as its title suggests, is to show how the play life of the nation may be made an important factor in promoting moral as well as physical health.
