Can what you wear really change your life? As I listened to Meg, a successful author, telling the following story on a creative writing course recently, it dawned on me that maybe it could. Later, when I looked at the psychological evidence and did my own research, as a university professor and lover of clothes, I became convinced of the huge, transformational power of clothing. Starting a fashion business is possible and with the right know how, problem solving skills and a true desire to create a brand that has value it can be done by anyone. Follow your instinct, make your decisions and stay focused. I believe in working smart and not hard. This road map...
