His novels of big money and murder in the world of finance have earned New York Times bestselling author Stephen Frey a richly deserved reputation as a master of suspense who always delivers a high yield. Now he raises the stakes, and the risk factor, in a new thriller that pits a young Wall Street player against corporate conspiracy and White House intrigue--in a dangerous game of double crosses, dirty tricks, and deadly consequences. An investment banker in the maverick firm Phenix Capital, Conner Ashby is doing all right for himself. It s a communication not meant for Conner s eyes, between people he doesn t know, about a company he s never heard of--a company that s engaged in corporate fraud on a massive scale. And for Conner, the evening that began in the arms of a...
