COURAGE TIMES THREE is the inspiring story of three courageous women, born in the era of WWI and WWII in Europe, enduring life's most difficult challenges with the everlasting belief they were always carried by their Heavenly Father. Meet Madeleine, born into a poor peasant family of Jewish faith in the first decade of the 1900s, narrowly surviving the brutality of famine and disease in southwestern Germany. Losing her parents to death at the fragile age of ten years, she kept afloat with unbelievably stoic wherewithal, always hanging on to her one true belief in God. Rather than being placed into an orphanage, she was taken in by a well-to-do Aunt and Uncle in France where she was afforded the best life could offer. Madeleine never took for granted the privileges that had been so favorably bestowed upon her. A blessed marriage and beautiful daughter fulfilled her every dream until the second world war changed life forever. There was only one thing that could bring Madeleine happiness once again. Would she ever find it? Next, meet Lilly, Madeleine's daughter, born into a family of wealth and influence in northern France in the year 1925. At the tender age of fourteen years, Lilly was sent underground to avoid probable capture and death by the Nazis during WWII. During this grueling period of time in life, Lilly faced the unfathomable challenge of merely staying alive. Following three years spent in desolate living quarters, her strong faith and fervent prayers provided her an out, saving her life. While remaining underground in a new location for an additional two years, Lilly found the love of her life and a job that kept...
