After a drop of Alex's blood streaks down her beloved book from her foster mother, the pages transform into a long kept secret journal. Inside what at first seems to be little more than a diary of an ancient vampire slayer, the trio find more than just hunting techniques. Locked within its pages contains hope of a cure, and a promise of a normal life. Will Alex be able to decipher the journal and reach salvation before her vampiric side becomes too hard to control? Can Hannah really be trusted after what she has done? And is Salem really ready to sacrifice all for a normal life?.
