Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Ten Fundamental Doctrines Believing that a fresh discussion of certain doctrines in The Christian Index would both do good and be appreciated, the editor conceived the idea of publishing a Doctrinal Number. Accordingly, he planned for ten articles on so many fundamental doctrines, and selected an equal number of men to prepare them. Fortunately, every man complied with his request and wrote on the subject assigned him. The issue was published, and a thousand extra copies were printed. It would have required several additional thousand copies to have supplied the demand. Before the publication of the Doctrinal Number, the subjects and the names of the men to discuss them were announced. This resulted in the suggestion that the articles be published in book form. Of course when the authors prepared the articles they had no thought that they would be published in permanent form. In justice to them their permission was sought and secured to make such use of them. Their publication in book form was conditioned upon advance orders. Such orders have been sufficiently large to authorize the publication of the book. Election and The Lord s Supper are discussed more fully than any of the other subjects.
