Excerpt: . except Gaspi, which I consider very well adapted for a settlement; there is a bay there that extends far back into the land, and forms a basin fit for ships to take shelter in. At the head of the bay the land seems very well adapted for a settlement. Besides there is very good cdd fishing in these parts. There are also three other fine harbours, ten or twelve leagues lower down, namely, PercSe Island, Bonaventure and Miscou, from all of which harbours ships go to fish for cod every year It would be a good place for a settlement, on the score of facility of communication with Quebec, access to which in small vessels is easy. There, to the right, is seen the Island of Anticosti, of which I shall not speak to you, not having been to it; only. I have heard it said that there is very good land on it, as well as on the north shore of the great river, from Tadousac downwards, where one meets with many fine rivers, whose waters are deep and abound with fish, especially salmon; there are prodigious quantities of this fish there, according to the accounts given to me by those who have been there. From Tadousac to a place seven leagues from Quebec, called Cape Tourmente, the country is quite uninhabitable, being nothing but rocks, quite steep and high. I have observed only one place along there, and that is Saint...
