Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. Financial analysis is an essential skill in todays highly competitive business world, where success is ultimately measured in cash flow terms. Even though computer spreadsheets have reduced the drudgery of financial calculations, it is critical that you understand and be comfortable with the meaning, context, and limitations of the key financial techniques and measures you apply to solving business problems of any kind. Techniques of Financial Analysis continues to serve as the clearest, most concise, and most practical guide to the key concepts, measures, and issues of applied managerial finance. Emphasizing the linkage of managements investment, operating, and financing decisions to business results, Helfert gives you the tools for understanding the nature of funds flows, analyzing financial reports, developing financial projections, evaluating capital investment decisions, assessing financing choices, and deriving the value of the business or a security. Printed Pages: 528.
