RISK ASSESSMENT IN CHEMICAL PROCESS INDUSTRIES: ADVANCED TECHNIQUES

Discovery Publishing House Pvt. Ltd., 1998. Hardcover. Book Condition: New. Searchshakhapatnam refinery disaster of September 1997 was the worst industrial accident of the 1990s. The Bhopal gas tragedy of 1984 was the worst-ever such accident in the History of process industries. India, thus has the dubious distinction of setting two World records in the realm of industrial accidents within a span of 13 years. Indeed, during the last two decades India has witnessed thousands of industrial accidents involving fires, explosions,...

Reviews

These sorts of ebook is the best publication accessible. It is amongst the most amazing ebook i actually have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Jace Gusikowski IV**

This kind of book is almost everything and made me searching in advance plus more. It is actually written in basic terms instead of hard to understand. You are going to like how the author wrote this publication.
