HarperCollins Publishers, United Kingdom, 2013. Paperback. Book Condition: New. 197 x 130 mm. Language: English . Brand New Book. Love isn't meant to be perfect. Except when it is. Some things are worth waiting for. This is the book you've been waiting to read since you put down One Day and Fifty Shades of Grey. Some things are worth experiencing. Cam stole my heart. One of the most endearing, touching and fun friends-to-lovers I've read. Gripping, the sweetest yet hottest romance. And some things are worth fighting for. Avery knows she should stay away from Cam Hamilton: he might be the hottest guy on campus but she really doesn't need that sort of drama right now. Love is best left in the past - along with her troubles. But sometimes, the last thing that you want is just the thing you need.
