Colombian journalist Clara Nieto reflects with seasoned acuity on the new ideological movements sweeping through Brazil, Venezuela, Ecuador, Bolivia and Argentina, as well as the evolving political landscape in her own country as it transitions from the militaristic Alvaro Uribe government to peace negotiations under President Juan Manuel Santos. This book delves into the political ascendance of Barack Obama, and his impact on hemispheric relations. Obama and the New Left in Latin America will serve as an essential guide to understanding the region's geopolitical landscape for years to come.
